

**This information is compiled from a register for children for  
Ingham County Schools – Vevay Township, 1935-48.  
Birthdays from 1915 to 1949**

Last names included (some multiple times, some within the records of other families):

Aseltine, Ashcraft, Austin, Bachman, Bailey, Baker, Belding, Bergeon, BeVier, Breslin, Brown, Bunker, Burgess, Collar, Collins, Corbeil, Dayton, Diamond, Donaldson, Ferguson, Gabel, Garrison, Gietz, Goddard, Gray, Gseltnie, Gustin, Gutherie, Harris, Hart, Haslby, Hayhoe, Hill, Keeler, Lamont, Langham, Lantis, Lapp, Lewis, Lott, Maddux, McCormick, McElmurry, McKay, McMann, Migrant, Newman, Oden, Otis, Ott, Owen, Parks, Perry, Pierce, Pubison, Raymond, Ridge, Scartough (Scarborough?), Seymour, Sherwood, Shinenar, Shockey, Shultz, Smith, Stiffler, Stolz, Supiran, Swan, Taylor, Thurma, Torburt, Turner, Whipple

Register pages are printed to record similar information, but all forms are not exactly the same. I have compiled the information to make it easiest to reference here. I included them in order how they are in the register as at this time I am not aware of any meaning to the order, but do not want to erase anything it may indicate. Note that some children not of school age were also included.

I do not know how the Helen and Willis Collar family came to have this register. Most of the handwriting is identical, or similar, with a few that may have been filled in by the parents themselves.

Notes:

- 1938 was not recorded. Any other year missing for a particular family was not recorded.
- Instructions note that census was to be taken in last 20 days of May, listing all those under 20.
- I have converted “country of birth” from a code to what it indicates. In the original, 01 indicated U.S. White and 99 indicated U.S. Colored.
- Addresses and other information are transcribed as written, or as best as deciphered.
- I have removed birthdates from the internet version I will publish as numerous people will still be living, however a version containing the birthdates has been sent to the Mason Historical Society, as well as the original register, in Mason Michigan.
- Any school information left blank indicates that information was not recorded.
- Interesting note – in a few cases it is noted that the mother is deceased, but only one mention of a father. These, and a few other notes will need follow-up with other records for explanations.

Code: P – public school, NP – non-public school, N – none [school], E – employed, NE – non-employed, M – [may indicate district of Mason], MSC – Michigan State College
